Schedule to Registration of Prequalification (PQC)

Cadence Australia Pty Limited

Level 6, 180 Queen Street BRISBANE QLD 4000

PQC Registration Number: **1097A**

PQC Rating: **Level 4**

Issue Date: **30 March 2010**

The Department of Public Works has processed the PQC Level and Registration Categories for the Registrant as provided in this Schedule.

The Registrant may be invited to submit proposals for consultancy services on State Government projects invited by Queensland Government Agencies, where the Registrant's PQC Level and Registration Categories, as identified in this Schedule, satisfy the particular criteria of the commission.

This Schedule supersedes any previously issued Schedule for this Registrant.

Guide to PQC Levels

- Level 1: Effective work practices
- Level 2: Commitment to continuous improvement
- Level 3: Industry best practice
- Level 4: Leading edge practice in a multisectoral global context

Please note: To be eligible to undertake commissions with an assessed service risk of 2, 3 or 4, Registrants must have a 2nd or 3rd party certified Quality Management System.

Office Registration Details for each address listed in Schedule heading are attached.

A handwritten signature in black ink, appearing to read 'Kaine Barton', written over a horizontal line.
